If you are like most people, an auto accident is rare. How then can you select a collision repair center when that unforeseen accident occurs? The best way is to look for a facility which has established themselves as a company that builds lifetime relationships. Here at Dealer Collision Center establishing Lifetime Customers is what we are all about.

Easy To Work With.

Every auto accident is inconvenient and frustrating. Because we deal with them constantly, we can assist in minimizing your inconvenience and your frustrations. This is particularly true when you have an insurance claim. We work with all insurance companies and know the procedures they use to verify damages.

Full Service Paint & Repair.

Our state of the art facility contains the equipment necessary to repair your vehicle to manufacturer specifications, giving you the peace of mind knowing the job was done correctly and completely.

10 THINGS TO KNOW ABOUT DEALER COLLISION CENTER AND COLLISION REPAIR.

- Your car is the second largest investment your likely to make. Preserve its value and your safety by having it repaired professionally.
- Never drive a car that could be unsafe because of damages.
- Some insurance companies may want you to visit their drive-in claims center before having your car repaired. You can do this, or you may leave your car at our shop and ask that the insurance company to inspect the car here.
- There is no law requiring you to obtain more than one estimate or appraisal.
- You have the right to go to the repair shop of your choice. Your insurance company cannot require you to go to a particular shop.
- Differences in repair estimates are common. A lower estimate may not include all necessary work. If you're not sure why one estimate is different from another you've received, please ask us.
- Choose a shop that has unibody repair equipment and certified (by I-CAR or ACE, for example) technicians.
- Ask if the shop will be using genuine manufacturer (OEM) replacement parts.
- Ask if the shop offers a repair warranty.
- Let us help you negotiate your claim with the insurance company.

Important: Please keep this in your glove compartment for future reference.

Experienced. Qualified. Capable.

We have the experience and equipment not to simply repair but to restore your vehicle.

- Our auto body repair and refinish technicians have combined 160 years of auto collision repair and refinish experience.
- All of our technicians and office employees have completed the continuing education courses given by I-CAR, the industry leader in automotive collision training.
- We have the equipment and expertise to restore the frame and unibody on your vehicle to your manufacturer's specifications.
- Our paint materials and paint booths allow us to match your vehicles paint and duplicate the finish work done at the factory.
